Course Syllabus for MUSI 4790/6790 (Trombone Choir) 2024/2025

Course Description:

These ensembles are designed as a direct supplement to your applied instruction. Here you are given the opportunity to apply all technical and musical concepts taught in the studio. Because of the chamber nature of the group and the high idiomatic writing necessary for successful trombone ensemble literature, this group provides the student some of his/her most challenging performance situations from all technical and musical standpoints.

Brief Statement of Course Goals:

A series of rehearsals followed by public performances of trombone ensemble literature that covers various musical time periods and styles. I will inform you of their dates and times as they are scheduled.

Method of Evaluation:

Students will be graded on professionalism, punctuality, and preparation of music. (See attendance policy below).

Attendance Policy:

Students may not miss any rehearsals or performances, without clearing this with Dr. Bynum. For each unexcused absence, the student's grade will be lowered one letter. The student's grade will be lowered one letter for each tardy after the second occurrence. A missed performance will result in a failing grade for the semester.

Excused absences from rehearsals will be granted only special circumstances. Therefore, you will have to plan all obligations and commitments for times other than those specified for rehearsal and performance purposes. Leaving a rehearsal early will be treated the same as a late arrival. Students should be in position five minutes before the rehearsal time, and should be warmed up and ready to go.

Required Materials:

- Instrument and mouthpiece
- Hard Copy of Music
- Pencil
- Individual Preparation
- Participation (Physical and Mental)
